

In compliance with Article 52 No. 7 of the EU-Regulation EU 2017/745
of the Council for Medical Products (of April 5th, 2017)

SEGUFIX®-Bandagen,
Das Humane System GmbH & Co. KG
(SRN: DE-MF-000027702),

hereby declares bindingly and under own responsibility
that the fundamental requirements according to Annexes I of
the regulation are met for the following medical product:

Item 7750
SEGUFIX®-Chair Belt Velcro® with Crotch Strap

in the sizes and versions offered according to the 2024 price list.
Basic-UDI-DI = PP01531775040 / risk class = I

Intended use:

- to support and position patients in wheelchairs
and other compatible chairs
- prevents the patient from sliding off of the seat
- put a restraint (note: some jurisdictions consider Velcro®
products as a restraint, should the patient not be able to
remove them without help)

The conformity assessment procedure according to
Annexes II and III of the EU regulation EU 2017/745
is applied. This declaration is valid from the
issuing date until May 24th, 2026.
